Questions:

They gave us an e-mail for questions which is: [tutoratoinformatica@uniud.it](mailto:tutoratoinformatica@uniud.it)

A guy named Daniele responded us. He seems to be very nice and speaks proper English.

#### == OVERVIEW OF CLASSES ==

To get to a overview of courses that are available for us after login on the home page do the following:

1. Click on the hamburger menu in the right upper corner
2. Then click on the element **Career**
3. Then on **libretto**
4. Then one should see an overview of courses that we can take.

#### == ENROLLMENT INTO EXAMS ==

To enroll into a exam that is available for us, after login on the home page do the following:

1. Click on the hamburger menu in the right upper corner
2. Then click on the element **Career**

3. Then on libretto
4. Then one should see an overview of courses that we can take.
5. To inscribe to a exam of one of the courses click on Appelli .
6. When there are exams available one can click on the blue book to enroll (currently there is a red circle).
